Work and Experience

2021 - Present **Exhibition Maintenance Associate**
Meow Wolf Denver LLC - Denver, CO

Currently working on the Meow Wolf Denver Exhibition Maintenance team, the team responsible for maintaining the art within the exhibit. This job heavily relies on creative problem solving, quick thinking, strong time management, and a deep pool of art and construction knowledge in order to both repair and improve the exhibition space.

2021 (Summer) **Associate Frosting Artist**
Meow Wolf Inc. - Denver, CO

Joined the final leg of Meow Wolf Denver's installation as part of ATTF, the team of artists and fabricators assembled to get the exhibit ready for opening. As a member of this team, I did everything from sculpting, painting, supply runs, and whatever else needed to be done that day.

2021 (Spring) **Creative Direction Intern**
Meow Wolf Inc. - Denver, CO

Served under the Sr. Creative Director at Meow Wolf Denver to bring the art exhibit's complex vision to life using creative problem-solving, interdepartmental coordination, and conceptual art design.

2020 (Contract) **Storyboard Artist**
Galactus Studios - Rome, Italy (Remote)

Storyboarded an episode-length animatic for an NDA-protected web series. A translated script, 3-D set, and character models were provided for reference.

2017 - 2020 **Visual Designer**
University of Colorado Denver - Denver, CO

Led the visual development of many CU Denver offices as part of the Digital Strategies and Communications team.

Optimized CU Denver's website, services, and communication for a student population using web design, site mapping, and more.
